

Darryl Christy, P.E., QSTI
Director of Marketing and Sales
Plainfield, IN office

PROFESSIONAL SUMMARY:

Since joining **GCI** in 2013, Mr. Christy has been responsible for developing commercial and technical proposals for **GCI's** air emissions testing services nationwide. He works with clients to ensure timely and accurate delivery of services to fit their schedule and specifications. His previous experience in construction and engineering has prepared him for the technical and financial details involved in his position. He passed the Professional Engineer exam in 2014 for the state of Indiana.

SELECTED PROJECT EXPERIENCE:

Mr. Christy has provided proposals and commercial bids for most of **GCI's** clients, some of which include:

- First Energy
- Duke Energy
- Dynegy
- NRG Energy
- Ameren Services
- Indianapolis Power & Light (IPL)
- Eastern Kentucky Power Cooperative (EKPC)
- NIPSCO
- Kansas City Power & Light (KCPL)
- Hoosier Energy

EDUCATION:

Purdue University - BSCEM
Ball State University – MA Secondary Education
